

MOBILE MEDICATION FOR OPIOID USE DISORDER TREATMENT

Spectrum's Mobile Treatment Program provides medication for opioid use disorder for high-risk individuals unable to attend an outpatient treatment facility. Our specially equipped vehicle makes scheduled daily stops throughout the City of Worcester to dispense methadone to patients in the program.

SpectrumHealthSystems.org

Daily stops currently include:

- 25 Queen Street (6 am to 7:15 am)
- 44 Temple Street (8:15 am to 10:00 am)
- 1023 Main Street (11:00 am to 12:30 pm)

Patients can attend any location during these hours. Admissions are available at multiple locations during specific times throughout the week.

Please bring photo identification and insurance card.

FOR INFORMATION ABOUT ADMISSION OR TO CONFIRM THE CURRENT SCHEDULE, PLEASE CALL 1-877-MYREHAB.
