

MOBILE MEDICATION FOR OPIOID USE DISORDER TREATMENT

Spectrum's Mobile Treatment Program provides medication for opioid use disorder for high-risk individuals unable to attend an outpatient treatment facility. Our specially equipped vehicle makes scheduled daily stops throughout the City of Worcester to dispense methadone to patients in the program.

SpectrumHealthSystems.org

Daily stops (Mon through Sat) currently include:

- 25 Queen Street (6:00 am to 6:45 am)
- 237 Chandler Street (7:00 am to 7:30 am)
- 44 Temple Street (8:00 am to 10:00 am)
- 2 Washington Square (11:00 am to 12:00 pm)
- 1265 Millbury Street (12:30 pm to 1:00 pm)

Patients can attend any location during these hours. Admissions are available on Mondays at 44 Temple Street.

Please bring photo identification and insurance card.
